Made with Love

The story of California Bakery began twenty years ago to create a corner of America in Milan.

Today it continues with the TEN group to continue to tell the story of the culture of good, traditional American food, prepared every day by hand, following the original recipes using only the finest ingredients, preferably organic.

In our workshops, we work in an artisanal manner, taking our time: our bread is baked daily and processed according to rising times, with raw materials of natural origin, without the addition of additives or preservatives. Ours is a patient search, the result of twenty years of work that has brought us to know the best local products and their high quality.

Made with Love

La storia di California Bakery nasce vent'anni fa per realizzare un angolo d'America a Milano. Oggi prosegue con il gruppo TEN per continuare a raccontare la cultura del buon cibo di tradizione americana, preparato tutti i giorni a mano, seguendo le ricette originali utilizzando solo ingredienti di prima scelta, preferibilmente biologici.

Nei nostri laboratori lavoriamo in maniera artigianale, prendendoci tutto il tempo che ci serve: il nostro pane è sfornato quotidianamente e lavorato assecondando i tempi di lievitazione, con materie prime di origine naturale, senza l'aggiunta di additivi né conservanti.

La nostra è una ricerca paziente, frutto di un lavoro ventennale che ci ha portato a conoscere i migliori prodotti locali e la loro elevata qualità.
